

Hey everyone!

Saturday was so much fun. Thank you all – EV Drivers and Attendees.

We had 70+ 100% Electric Vehicles in all throughout the day with 120 drivers with wives, husbands, & family members. There were 193 pre-registered attendees NDEW+Eventrite+Facebook, as many as 400 during the show hours, with over 100 test rides and a Space X flyby.

Get your Event T-Shirts from the Zero Emission Musician store:

<https://zero-emission-musicians.creator-spring.com>

Above: EV Area 1 Store side pictured EV Mini Cooper and a Rivian R1S & Tesla Model 3 Frunk chair

Above: EV Area 2 – Getting ready for giving rides. 2 Rivian R1T, Genesis, Model S, 3 & Y

Anyone who took an EV ride – please fill out this **post ride Survey**: [DriveThefutureEV.com/filedownloads](https://drive-thefutureev.com/filedownloads)

Above: EV Area 3 – Zero Emission Musician **Rick Denzien** (not pictured) opened the show with his classic “*Heal the Land*” song followed by **Debra Lee & Paul Heitmann** performing original songs. Later **Neysa Ricciardi** (not pictured) & **Debra Lee** are backed up by Ambler’s best jazz man **Jim Holton**. R1T, BMW I3 and a Toyota Rave4 EV

Above: Weavers Way Café - Women and EVs panel with Zero Emission Musicians - **Neysa Ricciardi & Debra Lee, joined by **Madge Moser**, and Climate Reality leader **Julia Nakhleh** all 100% EV drivers.**

Above: Area 2 - ride & drives just as Space X launch 181 (43rd launch of 2022) carrying 52 Star Link Satellites does a fly by 6:41 pm

Bye the way, all communications from us have come to you via Space X - Star Link.
Thanks again for helping make this the largest show we have ever done.

Best,

Rick & Debra Lee
